LOOK CLOSELY

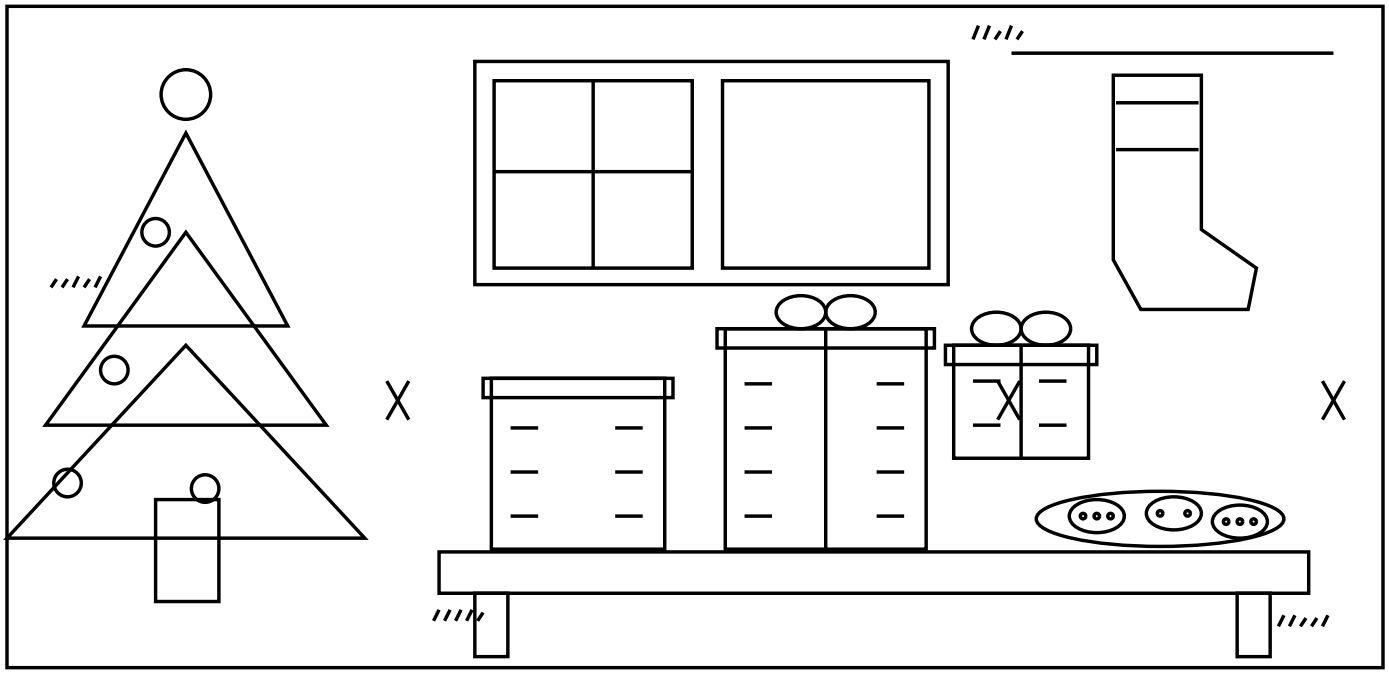

Spot six differences

Compare A and B. Circle six things that changed in picture B. Then color both scenes.

A • The Christmas workshop

B • What changed?

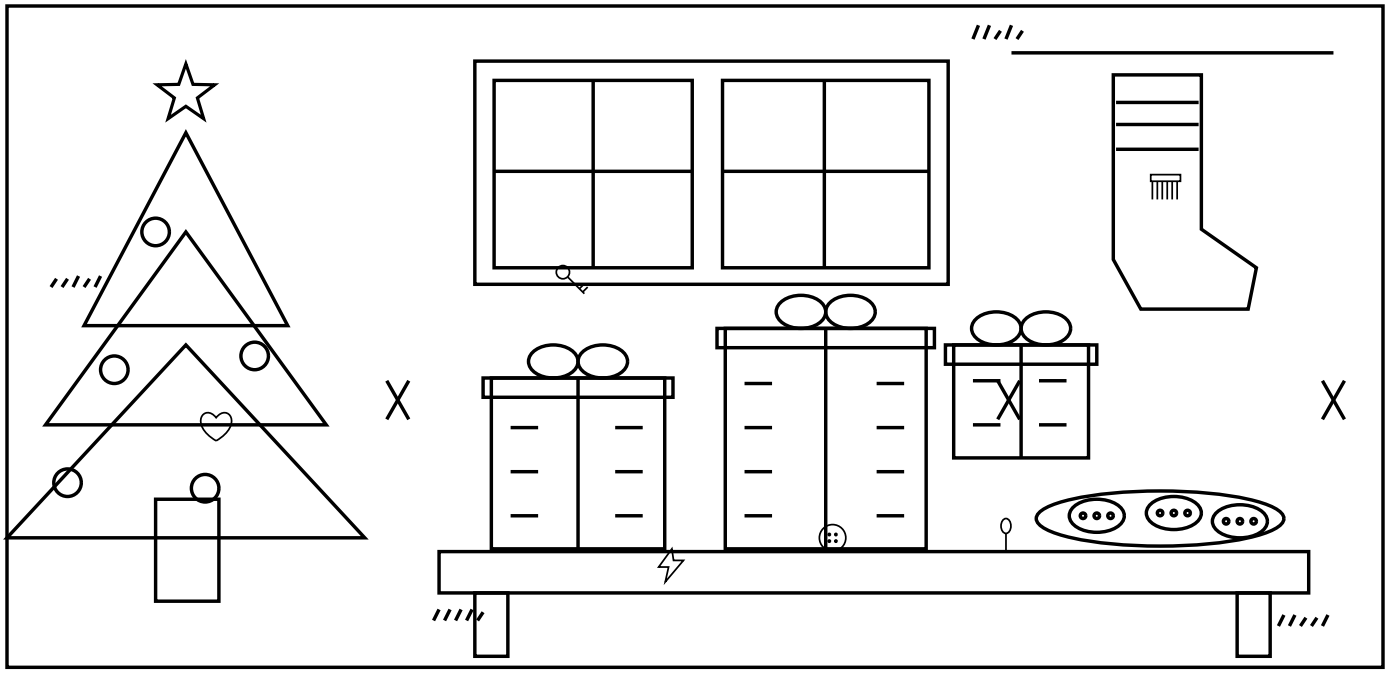

HIDDEN PICTURE • LOOK CLOSER

Can you find me in the picture?

Six little objects are disguised in the scene. Find one of each object shown below and circle it. Objects keep the same outline but may be smaller.

The Christmas workshop

1. Heart
2. Button
3. Key
4. Comb
5. Spoon
6. Lightning

Extra challenge: cover the object list and see how many hiding places you remember. Then color the whole scene!
